

### REMARKS

This application is the U.S. national stage application of International Application No. PCT/IL2005/000292, filed 15 March 2005. This Preliminary Amendment is being submitted before Action in order to expedite the prosecution of this application. The claims have been amended to correct an error in numbering (the international application contained two claims numbered 23), to eliminate multiple dependencies and to otherwise place the claims in better form for allowance and conformance with U.S. practice. No new matter has been added.

With respect to the specification, a cross reference to the two U.S. provisional priority applications has been added. Additionally, the abstract has been canceled and a new abstract is presented. Again, no new matter has been added.

If for any reason the Examiner believes that a telephone conference would expedite the prosecution of this application, it is respectfully requested that the Examiner telephone Applicant's attorneys using the contact information below.

Please charge the required fee (or credit any overpayments of fees) to the Deposit Account of the undersigned, Account No. 500601 (Docket no. 7044-X06-025).

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'P D Bianco', with a horizontal line extending from the end.
